

Geography transition project 2018

You can use the internet for reference but please extract and write up the information in your own words. Figures/facts will have to be copied.

A Study an Urban Area -Mumbai

You need to include:

- A map of the location of Mumbai with a detailed description.
- A summary of Mumbai's trading history
- Brief explanation of how Mumbai's economy has changed after becoming independent from Britain in 1947.
- Patterns of economic and social well-being – how has Mumbai's population changed since 1990? What languages are spoken? Ethnic diversity? Describe the extent of poverty?
- How is Mumbai affected by monsoons? Choose a year that a monsoon occurred and create a detailed case study on it.

Dharavi slum –case study

1. Where is it located?
2. How did this slum become famous?
3. What are cottage industries?
4. What cottage industries have survived in Dharavi? What is the average turnover of them all?
5. What is the housing like? Infrastructure?
6. What is the Dharavi Redevelopment Project

Please use the below websites as starting points to gain some background information/knowledge.

<http://www.coolgeography.co.uk/A-level/AQA/Year%2013/World%20Cities/Mumbai/Mumbai.htm>

http://news.bbc.co.uk/1/shared/spl/hi/world/06/dharavi_slum/html/dharavi_slum_intro.stm

<https://www.theguardian.com/cities/live/2014/nov/24/guardian-cities-mumbai-india-day-one>

This is your chance to do an independent piece of research on a LIC urban case study that will be very important for your A Level course.
