Dear Parent/Carer

Mobile Phones

As of September 2018 Neale-Wade students will **only be allowed to operate their mobile phones in designated areas. These areas will consist of the dining hall and outdoors areas during break and lunch only.**

Mobile phones will not be allowed in other areas or corridors during the school day. Students will be instructed to ensure mobile phones are not in use but remain in pockets or bags.

This arrangement will run in conjunction with the zero tolerance on mobile phones in classrooms currently in place.

As an Academy we recognise the importance of this form of communication for many students but thank you in advance for your support on ensuring we manage mobiles in and around the Academy's environment.

Yours faithfully

Mr J Whitney
Vice Principal
