Dear Parent/Carer

As you are aware, I regrettably had to take the decision to close the Academy yesterday. The decision was made to ensure the safety of all students and staff due to a gas leak that I became aware of on Tuesday morning.

I do appreciate the problems that parents and carers have when a school is closed unexpectedly and I would like to thank you for being so understanding.

I can confirm that engineers have resolved the problem, all safety checks have been undertaken and that the Academy is able to continue as normal.

Yours faithfully
