Dear Parent/Carer

Re: Students who cycle to the Academy

It has been brought to my attention that some students who travel to the Academy on bicycles are not utilising the cycle pathway and instead are cycling on the footpath.

This is a particular problem at the junction between Cavalry Park and The Avenue.

This obviously can cause problems for pedestrians, particularly those who are elderly. It is also illegal to cycle on a footpath.

If your child cycles to school I would be grateful if you could reiterate the importance of not cycling on any footpath or cycling abreast with other cyclists on the main road as this can again cause problems for motorists.

My main concern is for the welfare of all people who are travelling along the main routes to the Academy.

Your support with this matter would be much appreciated.

Yours faithfully
