Dear Parent

**Re: Academy Uniform**

I am writing to thank you for supporting the Academy and allowing us to maintain high standards with regard to our student uniform.

As we are now in the Summer term and the weather is warmer, students do not need to wear their school jumpers. In addition to this, as we are expecting an increase in temperatures next week, they are not required to wear blazers and boys will not be required to wear their ties.

It is important that students remain hydrated during the day, and as usual, they can fill water bottles during break and lunchtimes whilst ensuring that they continue to arrive at lessons on time. They will be allowed to drink water during most lessons, but this will be dependent on the Health and Safety requirements of individual lessons, ie Science and DT.

As a parent, you may determine that it is appropriate for your child to apply sun cream before arriving at school and bringing some with them if they have PE during the day. It may also be advisable to consider bringing a sun hat. The PE department will modify activities and venues as necessary.

I thank you again for your support in ensuring that our students attend the Academy prepared to learn.

Yours faithfully
