

Neale-Wade Academy – Curriculum Plan 2019 – 2020

Neale-wade Academy has a two-week timetable which runs for 50 hours. Students are taught in mixed ability groups for all subjects except English and Maths in Year 7 and English, Maths and Science in Year 8. We have a three year Key Stage 4 and students choose four Level 2 qualifications, which they will study for three years. All students take a sport based qualification during PE. The separate sciences are also available for our more able students.

Y	Art & Design, Catering, Construction, Child Development, Engineering, French, Geography, History, Psychology, Product Design
Z	Catering, Engineering, French, Geography, History, Health & Social Care, IT, Music, RE, Product Design

Neale-Wade Academy – Post 16 Study Programme 2019 – 2020

We offer a combination of Level 3 Academic, Applied General and Tech Level Qualifications over a two-year programme. This is supplemented by an enrichment programme which includes both qualifications and non-qualification activities. GCSE Mathematics and GCSE English are available for those students who do not hold a Grade 4 or above. All our Year 12 students follow a planned careers education programme which includes a work placement. These activities support the development of students' character, skills, attitudes and confidence, and to support progression to higher education or to employment.

Students are expected to follow a programme which consists of a minimum of three A levels or Applied General or Tech Level qualifications that are equivalent in size. They choose the equivalent of three A levels from four option blocks. Each block consists of 10 hours per fortnight teaching time plus one hour timetabled independent learning per subject.

Our offer for 2019-2020 is below:

Year 12

Qualification	Block A	Block B	Block C	Block D
A Levels	English Literature	Chemistry	Biology	Biology
	Mathematics	History	Geography	Business Studies
