Dear Parent/Carer

I write with a further update relating to Covid-19 and the further measures that the Academy is taking to ensure that students and staff are safe.

The national guidance from Public Health England and the Department of Health currently remains unchanged and can be found at the following link:

<https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>

We will be reminding students during tutor time of the importance of washing their hands on a routine basis and to avoid touching their face and eyes. We will also be providing tissues in all classrooms.

The Housekeeping team are working throughout the day to ensure that all students have access to soap in the toilets. Guidance states that soap and water is the best way to combat the spread of the disease.

We have plans in place that will allow us to provide effective access to learning and assessment resources in the event of any form of Academy closure. Students will be able to access materials via email and other online systems.

Clearly the situation is very fluid and we continue to monitor and follow all national guidance from Public Health England and the Department of Health.

Yours faithfully

A handwritten signature in black ink, appearing to read "JRS", is written over a light blue horizontal line.

Mr J Rowland
Co-Head of School
