Dear Parent/Carer,

Y12 Work expectations

I hope that you are all well in these very challenging times and are managing to adapt to the new situation we are currently in. I am writing to you as a follow up message regarding the amount of work Year 12 students should be aiming to complete whilst not at the Academy. They would have had five hours teaching per A-Level or equivalent subject each week in school, so ten hours per double vocational subject. Teachers are setting work via email so this should be a reasonable expectation of time allocated over this time. There are many resources available on Foldr that they are being directed to where applicable. Coursework should be completed where possible and submitted as per teaching staff instructions. We will not be setting work over the Easter break.

If you have issues accessing any of the learning platforms, please direct all queries to the address below:

ITSupport@neale-wade.org

Whilst these are very challenging times I hope that you can find time to relax with your families safely and get through this unprecedented situation.

Please do not hesitate to contact myself or Mrs Gribble on email at cspibey@neale-wade.org and cgribble1@neale-wade.org

Below is a list of all staff emails should you require them.

Yours faithfully
