Dear Student

I hope that you have been keeping safe and well throughout this period of academy closure.

As we have moved through what would have been the GCSE examination window, we have started to plan for GCSE results day on 20 August. Traditionally, students have attended the academy on the morning of results to collect their grade sheets. Unfortunately, due to the current Government guidance, this option is not possible. Therefore, we will be emailing all GCSE results to students on the morning of 20 August 20 by 8.30am. Although this is not how we envisioned, nor how we want to deliver your results, due to the nature of the pandemic it is a measure we need to take to ensure everyone's safety.

I fully appreciate that many of you may have questions about your results or your next steps in education or training, and in many cases your initial plans for Post 16 will have changed. Therefore, in-order for us to support you in this process, we are offering a virtual consultation where you will be able to discuss any queries that you may have via the following method:

- You will receive a link, with your results email, to book a 30-minute online appointment
- It will be with a member of the academy leadership team
- Dates are from Friday 21 August to Wednesday 26 August

You will need to be able to access **your academy email account**. If you have forgotten your login details, please email [itsupport@neale-wade.org](mailto:itsupport@neale-wade.org) who will reset these for you.

We will also be posting a copy of your results out to your address on 20 August.

I hope that this now gives you some clarification on the process we will be following and puts you at ease.

Yours faithfully
